

ALL ABOUT ROSES at the East Row Garden Club March meeting. The truck announced that “The Rose Doctor” had arrived. Rose expert & owner of the firm, Brandon Snow gave a talk – all about roses – types of roses, foundations for a rose garden, maintenance during all seasons, and insects & diseases. For more information see the website www.rosedoctor.net

The doctor's truck.

Brandon Snow relaxing after giving an informative and interesting presentation.

Friends and crafts, food and beverages, along with an educational talk about roses.

Many appropriate slides helped illustrate the presentation.
